# Summer Reading Requirements

Over the summer, SHG students keep reading! Students should be reading 20-30 minutes each day to maintain all their progress and hard work from the school year.

Students are required to read the following:

1. One Biography or Autobiography
2. One Novel
3. One Work of Nonfiction
4. One Poem

For each required item, a strategy sheet is included. Please complete each strategy sheet using information from your chosen reading material.

Of course, that shouldn't take you all summer! We want to know what else you're reading! Use the reading log to keep track of the books you've read and what you liked or disliked about each to share with your classmates in the fall!

Parents, thank you for instilling the value of reading and an excitement for reading in your daily lives. **Upon completion, please sign the Reader's Journal. The completed Reader's Journal will be collected on the first day of school.** The faculty here at SHG can't wait to hear about the adventures you went on and where your stories took you over the summer! See you in September!

# Tips for Comprehension & Fluency

**Brainstorm**- What do you know about this subject? What do you hope to learn?

**Predict**- What do you think will happen in this story?

**Question**- Who? What? When? Where? Why? How?

## During Reading

**Predict**- What do you think will happen next?

**Question**- Who? What? When? Where? Why? How?

**Reread**- Did what you just read make sense?

**Retell**- What has happened in the story so far?

**Fluency**- Are you reading in a manner that sounds like natural speech?

## After Reading

**Confirm**- Were your predictions about the story correct?

**Question**- Who? What? When? Where? Why? How?

**Connect**- Does it connect to other books you've read, things you've experienced, or events around the world?

**Reread**- Read it again faster and for a better understanding.
