**Parent/Student Handbook Verification Form**

October 9, 2020

Dear Sacred Heart Parents/Guardians,

 In our quest to be good stewards of the environment, the 2020-2021 Parent/Student Handbook is available to you on our website under the Parent tab and is also being delivered to you digitally this school year. This handbook outlines Sacred Heart School's policies and procedures for this unique school year.  It also contains important information about our school faith community, our mission and our history. Please read the handbook thoroughly, especially the sections concerning our uniform policies, our master calendar, traffic procedures, and our technology acceptable use policies which includes expanded guidelines for parents and students regarding the responsible use of social media and internet conduct and communication.

After reviewing the handbook and discussing it with your child/children, please fill out the lower portion of this page, and return it to your **youngest child's homeroom teacher by Thursday, October 15, 2020 digitally or in-person. All students—both remote and in-school learners must return this Parent/Student Handbook Verification form.**  So that we can keep our school records up-to-date, please notify the office if your family's data information changes during the school year. This is very important.

May God Bless You and Keep You.

Sincerely in faith,
Jeanne Cossentino
Principal

We have read Sacred Heart School's 2020-2021 Parent/Student Handbook and have reviewed the handbook with our child/children.
